Each Exhibitor understands and agrees that by its participation in any SPFA event, or the appearance of any advertisement or logo in any SPFA newsletter, publication or on sprayfoam.org does not constitute an endorsement, recommendation or approval of any particular product or service by SPFA.

1. Parties: For purposes of the Exhibitor Application and Contract as well as these Rules and Regulations, the term "Show Management" shall mean the Spray Polyurethane Foam Alliance ("SPFA"), and its respective officers, directors, staff, volunteers and SPFA's designated and authorized agents, representatives, and contractors. Any direct affiliate of the Exhibitor which the Exhibitor wishes also to be engaged in booth activity must be fully disclosed on the application and the acceptance of such affiliate's disclosed booth activity shall be subject to the sole discretion of Show Management as well as these Rules and Regulations.

4. No conflicting events: Exhibitor shall not schedule or conduct meetings, presentations, seminars, programs, receptions, displays, or other social or business events during hours that would conflict with SprayFoam Convention as well as the Exhibition Show general session(s), breakout session(s) or exhibit hall hours.

6. Registered Exhibitor Personnel: The Exhibitor shall register the complimentary full convention and "Expo Only" personnel pass to booth personnel only. The six (6) additional VIP "Expo Only" passes are intended solely for Exhibitor customers and are not transferable to booth personnel and do not permit full Convention access.

7. License Conveyed: In consideration of the acceptance by SPFA of the Exhibitor's application and registration as an exhibitor at the 2025 SprayFoam Convention & Expo, the Exhibitor, on behalf of itself, its officers, directors, employees, volunteers,

participants and registered attendees, hereby consents and grants to Show Management and SPFA, its officers, directors, employees, volunteers and/or authorized representative(s) or agent(s), the absolute and irrevocable, perpetual, royalty free, worldwide license and right to record and use the names, comments, quotations and photographs, videos and images of the Exhibitor and its officers, directors, employees, volunteers, participants and registered attendees on the Internet, in print or electronic publications, and multimedia presentations, and/or for any purpose which may include, but not be limited to, supporting and promoting the 2025 SprayFoam Convention & Expo and future SPFA SprayFoam Conventions and Expositions and its related events and SPFA's various programs and activities. This grant of license and right given to SPFA extends to the reproduction, copying, modification, display, broadcast, transmission, and distribution of the photographic images and/or videos and any descriptions or text included for the above-described purposes.

8. Admissions: Show Management shall have sole control and absolute discretion over all admissions and continued participation of persons to the Exhibition and Exhibition Facility. All persons visiting the exhibit area will be admitted according to the rules and regulations of the Exhibition or as amended from time to time by Show Management. The six (6) VIP "Expo Only" passes are intended for Exhibitor customers only and do not permit such customers access to the full convention. Except as otherwise provided herein, these passes are not transferable to booth personnel. Booth personnel must register as exhibitors and not as attendees. Those booth personnel registered as attendees will not be permitted in Exhibit Hall during set-up or dismantle hours.

10. Floor Plan: The arrangement of the exhibit spaces shown on the floor plan, the dimensions and locations of exhibit space exits, and other structures are believed to be accurate, but are only represented to the best of SPFA's knowledge to be approximate.

11. Space Assignment: Show Management will undertake reasonable efforts to locate the Exhibitor's booth in one of the preferred locations identified by the Exhibitor in its Application/Contract. Notwithstanding the above, Show Management cannot and does not guarantee that the Exhibitor will be assigned one of the preferred booth locations and reserves the right to change location assignments at any time, as it may in its sole discretion deem necessary.

12. Exhibition Operations and Activities: If Show Management determines that the Exhibitor is engaged in activities or is displaying any items or products contrary to the intent or purpose of or the best interests of the Exhibition, or which appear to be unethical, potentially harmful or dangerous, or a breach of applicable law, Show Management may, in its sole and absolute discretion, rearrange or remove such articles or cancel entirely any allocation of space, without liability for any

refund or reduction of the exhibit space charge paid or due hereunder, and without liability for any other damages caused by such action. Any such proposed game of chance, drawing or other give-away must be disclosed in advance in writing to Show Management, which retains the sole and exclusive right to prohibit or restrict any such activity that it reasonably deems in violation of applicable laws or disruptive of the Exhibition. The Exhibitor shall be and remain solely liable for compliance with such applicable laws or regulations.
